

World Environment Day

&

National Conference

on

Recent Advances in Environmental Science & Engineering (RAESE- 2018)

Under TEQIP- III

5th June, 2018

Organized by
Department of Civil Engineering
NIT Silchar
Assam- 788010

About NIT Silchar

National Institute of Technology, Silchar (राष्ट्रीय प्रौद्योगिकी संस्थान, सिलचर) is one of the 31 National Institutes of Technology of India and was established in 1967 as a Regional Engineering College in Assam. In 2002 it was upgraded to the status of National Institute of Technology and was declared as Institute of National Importance under the National Institutes of Technology Act, 2007.

About Department

The Department of Civil Engineering started its journey in 1977. Ever since the inception, it has been imparting quality education to under graduate students. The Department presently fosters five PG courses. A good number of research scholars are carrying out research in various fields. There are about a dozen laboratories with various research and testing facilities. The faculty consists of eminent specialists from diverse fields and there is commendable research ambience in the Department.

About Conference

The main aim of this conference is to celebrate World Environment Day; spreading the knowledge with experts from India; to encourage association and knowledge transfer by promising communication within the research community in the fields of Environment Pollution and Remediation, Ecological and Environmental issues: Problems and Solutions, Climate Change and Global warming, Waste Water Treatment, Green Chemical Technology.

Who should attend

The conference is intended for faculty members of degree level technical institutions, practicing engineers, scientists and other technical officers working in Central and State Govt. agencies, undergraduate students, postgraduate students and research scholars are also encouraged to attend the conference.

Important Dates

- Last date of abstract submission: 25/05/2018.
