

National Institute of Technology Silchar, Assam, India

Satyendra Nath Bose Summer Internship Program 2022

This Summer Internship program attempts to bring together students from prominent institutions across the country. It will allow external and internal students to participate in research projects, undergo mentorship by faculties of NIT Silchar thereby leading to close conglomerates and collaborations between respective institutions.

Eligibility: External and Internal Students of B.Tech pre-final year (3rd Year) in Civil Engineering Dept., Mechanical Engineering Dept., Computer Science and Engineering Dept., Electronics and Communication Engineering Dept., Electrical Engineering Dept., Electronics and Instrumentation Engineering Dept. are eligible to apply.

Students of Dept. of Management Studies (Ist year) are also eligible to apply.

Duration of Program: Duration of 6 weeks between **Ist June to 15th July, 2022.**

Application Process: Students may apply with the proposed research proposal. The application form is available in the institute website www.nits.ac.in

Requirements:

- The internship will be under the mentorship of a faculty from NITS.
- Applicants **above CPI 7 or 70% (for external students) and CPI 6 and above (for Internal students)** can apply.

• **For external candidates, a bonafide cum recommendation letter is required from the parent institute. External students can attend online Summer Internship.**

• The application form should be duly signed and forwarded by HOD of that institution

• Applicants are requested to contact the individual faculties of respective departments (www.nits.ac.in) and after getting consent from the respective faculty, they can apply for Summer Internship.

• Letter of consent from host faculty should be submitted along with application form.

• Applicants are to submit a report to the individual faculty/department after the end of internship.

At the successful completion of the Summer Internship, students will receive certificates.

Selection procedure:

After the submission of applications, thorough review of the applications will take place. The list of shortlisted applications will be uploaded in the institute website.
